2301 Crown Centre Drive, Suite A, Charlotte, NC 28227-7705

OFFICE OF THE PRESIDENT

May 21, 2012

Dear Friends and Supporters of Living University,

Over five years have passed since the founding of Living University on February 27, 2007. On April 30, 2012, we held our fourth commencement exercises graduating twelve students. It was an exciting event held during the Living Church of God General Ministerial Conference at the Renaissance Charlotte Suites Hotel.

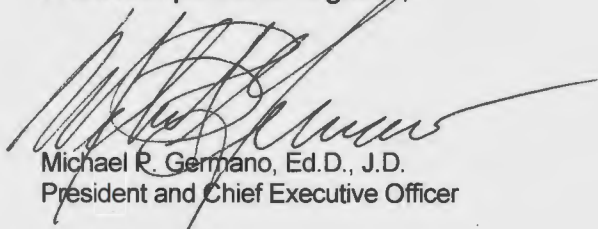

As you are part of our extended Living University family I want you to have a DVD of this ceremony as well as a copy of the program. I encourage you to listen to the timely and uplifting commencement address by evangelist Richard F. Ames.

At LU, where "All the World is Our Campus", your prayers and continued monetary support enable people around the globe to learn deeply about God and His way of life, and to become more effective laborers in His service. One of the greatest needs of God's Work today is more laborers to serve His people. As LU grows it should become a vital source of additional hands to do the Work of our great and loving God.

We hope our LU enrollment will reach 225 this fall semester with at least 6 to 8 on-campus in Charlotte. We have accepted two young men for the fall semester entering class and we would like to have at least one more. We also need three young women. As we have two returning students our on-campus fall enrollment now stands at four and we hope some additional young adults will accept our challenge to come to Living University at Charlotte. Please pray that the article "Exciting News About Living University" in the March/April issue of The Living Church News will motivate more students to enroll at Living University -- online and on-campus.

Thank you again for your continued financial and prayerful support of Living University. Your support truly helps make a difference!

Warmest personal regards,

Michael R. Germano, Ed.D., J.D.  
President and Chief Executive Officer
