

True Education

True education, as Scripture presents it, goes far beyond knowledge production; it must teach the spiritual values without which all the other pursuits will lead to ruin! True education must be based on the truth of God. Only a Christian with willingness to learn from the Great Teacher, and follow His example, will build a proper foundation to receive true knowledge. True Education, the recapturing of true and permanent values, is the underlying focus at Living University. At Living University, in all we do, we challenge each other to fulfill our motto, "Recapture True Values."

The Gift of True Education

The Gift of True Education

Through an estate gift you can provide The Gift of True Education at LU, one of the most valuable endeavors of our time, by helping the University prepare future potential leaders in God's Work in the end days — especially for ministry. Our mission includes bringing instruction in God's Way beyond geographical boundaries to all peoples for "All the World Is Our Campus." Moreover, by your specific or residuary estate gift you can enhance academic excellence!

You Can Enhance Academic Excellence

At LU academic excellence enables the development of the whole person for Christian leadership and service in an environment of scholarship, creativity, culture, academic freedom, and devotion to true values. Our students are taught to apply biblical values to every facet of life—including art, literature, health promotion, science, music and human relations. This is opportunity for personal and spiritual development, as well as formal preparation for career success. In this you have a vital and important part through your earnest heartfelt prayers and your continued financial support.

By means of an estate gift you can help enhance academic excellence in instruction and other learning opportunities and assist in securing LU's future. A commitment made by Will allows you as a donor to obligate a gift to be paid after your lifetime for estate gifts are commitments of a future
